## CERTIFICATE

Eng. M. WITTEBOLLE, Technical Director of the BELGIAN PACKAGING INSTITUTE u.p.m.a., Picardstraat 15 - 1000 BRUSSELS, certify by the present document that the shipping box with reference CLIP-LOK 250 1 with an internal 3-layer plastic bag with screw closure, delivered by:

**CLIP-LOK INTERNATIONAL Lim.**  
Europlaza  
Hoogvoorddreef 54e  
NL- 1101 be AMSTERDAM

have been submitted to testprogramm based on the international norm ISO 4180/2 , a transport simulation testprogramm.

The boxes made of plastic material PP-CoPo + 15% CaCo3 and described, even as the testprogramm, in the testreport P-99/073 dated 21/04/99 have successfully met the requirements of the effectuated tests.

The presented boxes may be used under the mentioned conditions in the report for the transport of liquids.
