

Product: Reusable Clip-Lok box for transport of sides for tractor hoods

Specifications:

- The Clip-Lok boxes are customised to carry both left and right side of the tractor hood
- The Clip-Lok box is designed for both long and short sides for tractor hoods
- Dunnage ensures that the items are kept in a fixed position during transport
- They can be stacked on top of each other without the need for racking
- Clip-Lok boxes can be customized to withstand a pressure up to 15 tonnes
- When not in use the Clip-Lok box can be easily and quickly flatpacked

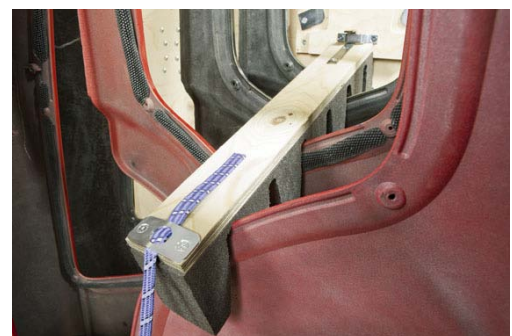

3 sets of sides, left and right, are safely placed in sequence.

To gain space between the items and avoid scratches during transport, the painted parts are fixed in PUR dunnage

When dismantled the volume is reduced with 67% which reduce the costs of return shipments.

A bar with foam dunnage keeps the items in balance during transport
