

Product: Reusable, collapsible transport box for odd size items

- Specifications:**
- Reusable and collapsible 2P Clip-Lok box for odd size items
 - The Clip-Lok box allows ergonomic working posture as the removable bottom panel gives easy access to place or remove items from the flexible rack
 - The removable rack can be build up/taken down as the items are loaded/deloded
 - The Clip-lok box is easy to handle by forklift
 - They can be stacked on top of each other without the need for racking
 - When not in use Clip-Lok boxes can be easily and quickly flatpacked to minimise storage space which can save costs up to 80%
 - The Clip-Lok box can be used time and again

The Walk-In box has a detachable bottom panel which enables you to keep a good working posture while you load or deload the items and build up the rack.

The Walk-In box has two open sides which give full access to the parts. The rack inside the box can be build up during loading of items.
