

Product: Reusable Clip-Lok boxes for camp equipment

Specifications:

- The Clip-Lok boxes are customised for specific equipment.
- Dunnage ensures that the equipment is safely shipped without damage.
- Clip-Lok boxes are weatherproof and can be stored outside.
- They can be stacked on top of each other without the need for racking.
- Clip-Lok boxes can be customized to withstand a pressure up to 15 tonnes.
- When not in use the Clip-Lok box can be easily and quickly flatpacked to minimise storage space which can save up to 80% for return shipment.
- Clip-Lok boxes are certified with numerous military specifications (e.g. MIL 1660; MIL-810-STD) as well as for UN hazardous goods.
