

## **Designed for the glass industry:**

- Ideal for fragile cargo
- Specialised interior dunnage for maximum protection
- Tailor-made boxes for each product
- Easy access in production line
- One or more panels can be opened to add items or check contents
- Cuts out extra packaging in the assembly line

## **The advantages of Clip-Lok:**

- Significant cost savings
- Reusable time after time
- Simple to collapse and erect
- Flatpackable
- Economical to return
- Very strong and durable
- Provides maximum stability
- World-wide back-up network
- Easy storage - no racking required

## **Applications for the glass industry include:**

- Automotive mirrors
- Windscreens
- Automotive windows
- Sunroofs
- Street lights
- Cullet glass for recycling

## **Clients include:**

- PPG, Corning, Hirtz Miroirterie,
- Guardian Glass, Pilkington
