

## Clip-Lok reusable and collapsible authentic Scandinavian sauna

This easily transportable sauna can be flat packed, shipped and set up virtually anywhere to provide authentic Scandinavian sauna well-being. Built of sturdy plywood, the Clip-Lok sauna comes complete with a bench and a woodstove. It is weather resistant and can be moved and used many times. Set up time is only 10 minutes.

The Clip-Lok sauna:

- is made of certified environment-friendly plywood.
- can be easily and quickly flat packed, reducing transport and storage volume by up to 80%.
- can be flat packed and reused - typically over 100 transports with normal handling.
- is suitable for transport by road, rail, sea or air.

The sauna dimensions are L:3040 x W:1540 x H:2250 mm. A handle, lock and heat resistant acrylic window are mounted in the hinged door.

A sauna stove, exhaust piping and bench are included. There is room for six people on the bench. A second level of benches can easily be added.

The sloped roof leads rain off of the sauna. Fire retardant measures are included in the design. The integrated pallet base allows easy 4-way handling.

The sauna is assembled with externally fitted reusable spring steel clips which are easy to insert and remove. No nails or screws are used.
