- We have now operated the new Clip-Lok website for 2 years
 - We have experienced a significant increase in traffic
 - Especially in the US, South Africa and Scandinavia
- 

-
- Scandinavia has registered good sales
 - How do we know?
 - We ask every time a new contact is established whether by phone or e-mail
 - Do you measure your results?
- 

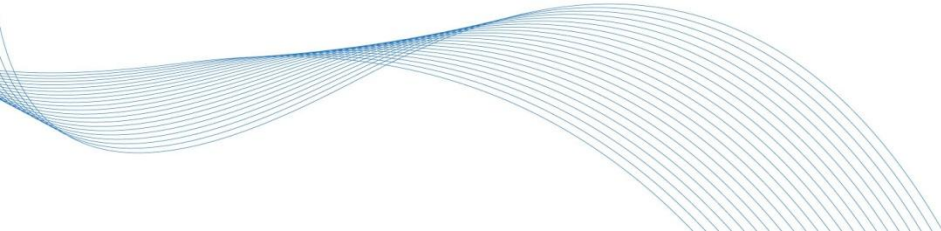

-
- A good website alone is no guarantee for increased leads and sales.
 - Potential customers must find us every time they search.
 - Our goal is to appear on the first page of results whenever, and wherever someone searches.

- 

Search engine optimization (SEO) is the process of improving the visibility of a website in search engines via the "natural" or un-paid "organic" search results. In general, the higher ranked on the search results page, and more frequently a site appears in the search results list, the more visitors it will receive from the search engine's users.

-
- The strategy analysis has been commissioned and will be implemented in October and November.
 - Direct development cost in strategy analysis = 5-7000 Euro.
 - Running cost = 1500 Euro per month for 8-10 months.
